Patriot Preparatory Academy Core Values

Joy in Learning
We believe that lifelong learning is the path to happiness and continual growth. Our school exists to plant those educational seeds that will continue to thrive into adulthood.

Be Engaged
We always strive to arrive at school ready to give our attention and engage with each other, especially on the days when it may feel challenging to do so.

Celebrate Each Other
Patriot Prep is a community of caring teachers, staff, administrators, and students who lift each other and equally value our similarities and uniqueness.

Great Expectations
Our students succeed best when they are respectfully challenged to achieve their potential. That means we hold them accountable both for academic achievement and personal conduct.

Lead by Example
Our school's culture starts at the top with administrators who lead with wisdom and kindness, but it is nurtured by everyone in the Patriot Prep community. We all have a role in fostering a healthy, safe, and encouraging environment.
